We Care, We Pray, We Work, We Play... in Jesus' Way

St Mary's RC Primary School Intent and Principles for

Physical Education

"Physical fitness is not only one of the most important keys to a healthy body, it is the basis of dynamic and creative intellectual activity." –

World Health Organisation.

The children will learn through coherent and sequenced lessons to ensure progression.

We encourage children to know more and remember more so that they gain the PE skills and knowledge that they can apply into further education and adulthood.

At St Mary's, we strive to ensure our PE provision is challenging yet enjoyable for all our pupils. We provide opportunities for children to be reflective and support others whilst developing their own skills in preparation to achieve, make progress and develop towards the competitive world. Our children can build on a foundation of knowledge of the benefits of health and exercise.

All children will have the opportunity to experience competitive sport.

Within every PE lesson, we use our School's Growth Mindset Values.

We encourage children to inspire others by becoming role models through leadership and coaching responsibilities.

We use PE vocabulary to support our reasoning.

We praise our team mates through positive feedback and encouragement.

We have high expectations and an ambitious curriculum for all pupils.

"An education in the fullness of humanity should be the defining feature of Catholic schools."

3. EYFS

Physical development will be encouraged as an integral part of work for pupils in the EYFS, teaching them how to control their movements and become competent movers.

Pupils' fundamental movement skills are developed during the EYFS, laying a foundation for future PE lessons.

Particular areas of focus will include movement, balance and the use of PE equipment, including gymnastic apparatus, floor mats and sporting equipment, such as bats and balls.

Pupils' physical development will relate to the physical development objectives of the early learning goals (ELGs), which are set out in the DfE's 'Statutory framework for the early years foundation stage', including:

- Demonstrating strength, balance and coordination when playing.
- Negotiating space and obstacles safely, with consideration for themselves and others.
- Moving energetically, such as running, jumping, dancing, hopping, skipping and climbing.
- Participating in physical activities which enhance fine motor skills.

All pupils within the EYFS will be given the opportunity to undertake activities that provide appropriate physical challenge, both indoors and outdoors, whilst using a range of resources and equipment.

EYFS classes will have two PE lessons per week, one which will be outdoor play, weather permitting, and the other which will take place also outdoors or in the school hall if needed.

4. Curriculum

During KS1, pupils will be taught to:

- Master basic movements, including running, jumping, throwing and catching, whilst developing their agility, balance and coordination, beginning to apply applying these in a range of activities.
- Participate in team games, developing simple tactics for attacking and defending.
- Perform dances using simple movement patterns.

During KS2, pupils will be taught to:

- Use running, jumping, throwing and catching in isolation and in combination.
- Play competitive games, modified where appropriate, and apply basic principles suitable for attacking and defending, for example, through netball, football, hockey and tennis.
- Develop flexibility, strength, technique, control and balance through activities such as gymnastics and athletics.
- Perform dances using a range of movement patterns.
- Participate in outdoor and adventurous activities, both individually and within a team.

- Compare their performances with their previous ones and demonstrate improvement to achieve their personal best.

In relation to swimming, pupils within KS1 and KS2, will be taught to:

- Swim competently, confidently and proficiently over a distance of at least 25 metres.
- Use a range of strokes effectively, such as front crawl, backstroke and breaststroke.
- Perform safe self-rescue in different water-based situations.

5. Teaching and learning

All lessons will be planned and taught in line with the scheme of work, as developed by the PE coordinator, ensuring that potential for pupils' progression is planned into the scheme of work.

Lessons and activities will build upon pupils' prior learning, developing their skills, knowledge and understanding within each activity area.

The school creates long-term, medium-term and short-term plans for delivery of the PE curriculum – these are as follows:

- Long-term: Includes the PE topics studied in each term during the key stage
- Medium-term: Includes the details of work studied each month
- Short-term: Includes the details of work studied during each lesson

The PE coordinator is responsible for reviewing and updating long-term and medium-term plans, and communicating these to teachers.

Teachers are responsible for reviewing and updating short-term plans and building on the medium-term plans, taking into account pupils' needs and identifying the methods through which topics could be taught.

All relevant staff members are briefed on the school's planning procedures as part of their staff training.

Where appropriate, a sports coach will lead the lesson or teach alongside the teacher.

Pupils will be taught through a mixture of whole-class, group and individual activities, ensuring that tasks are suitable for pupils' abilities. Pupils will be encouraged to evaluate their own performance, as well as the performance of others. Pupils will be given the opportunity to both collaborate and compete with each other during lessons.

The PE coordinator will act as the first point of contact for staff members planning PE lessons or sporting events.

A variety of resources, including indoor and outdoor sporting equipment, will be used to provide a range of challenge for pupils. Staff members involved in the teaching of PE will have access to PE resources, including sporting equipment and specialist literature, at all times. PE resources will be booked in advance and authorised for use by the PE coordinator prior to use.

Where a pupil is unable to participate in a lesson, the teacher will set them another related task, such as being score counter or equipment manager.

6. Assessment and reporting

Pupils will be assessed and their progression recorded in line with the school's Primary Assessment Policy. Assessment in PE will be based upon knowledge and physical skills.

Assessment will be carried out informally throughout the year. This will enable teachers to identify any gaps in pupil's learning and will inform their immediate lesson planning. Throughout the year, teachers will plan ongoing creative assessment opportunities in order to gauge whether pupils have achieved the key learning objectives. Assessment will take various forms, including the following:

- Talking to pupils and asking questions
- Discussing pupils' lessons with them
- Observing practical tasks and activities
- Pupils' self-evaluation of their performance
- Video evidence stored on the shared drive

In terms of summative assessments, the results of end-of-year assessments that have been observed thoroughly by the class teacher will be passed to relevant members of staff, such as pupils' future teachers, in order to demonstrate where pupils are at a given point in time. Summative assessment allows the teachers and subject leads to track progress. The progress of pupils with SEND will be monitored by the SENCO.

For a child to be at age related expectations (ARE), they will need to achieve all knowledge and skills for their year group. Any children who demonstrate an excellence within an area of PE, will be identified in the pathway to excellence (P2E). This may include demonstrating a particular skill in school e.g. children who may have been coached or scouted by outside professional agencies. Occasionally, a professional discussion will take place between a class teacher and the subject lead regarding the assessment of certain children.

Parents will be provided with a written report about their child's attainment in PE during the Summer term every year. Reports will include where their child is working at in PE. Verbal reports will be provided at parent-teacher meetings during the Autumn and Spring terms.

8. Extra-curricular activities

The school provides pupils with the opportunity to participate in a range of extra-curricular activities in order to further develop their skills.

Extra-curricular opportunities are provided to pupils with the aim of allowing them to put into practice the skills they have developed in lessons, as well as foster a sense of cooperation among pupils, whilst introducing a competitive element to team games.

There are a variety of PE-related extra-curricular activities available for pupils to participate in outside of school hours, including the following:

All long hair is tied back for PE lessons.

Activities such as gymnastics and dance will be undertaken in bare feet.

The school will stock spare hair bands and PE kits for pupils who forget theirs. In the event that a pupil repeatedly forgets their PE kit, a letter will be sent home.

Where possible, the school will use designated single-gender changing rooms. Where this is not possible, the school will use screens to provide separate changing areas.

The school will make adequate and sensitive arrangements for changing which take into account the needs of pupils with disabilities and pupils from different religions, beliefs, cultural backgrounds or gender identity.

Where staff members need to change, this will be done privately and never in the same space as pupils.

If there is a need for a staff member to enter the changing rooms while pupils are changing, the staff member will alert pupils to this and give pupils the opportunity to cover up if they want to. Where possible, only staff members of the same sex as the pupils will be allowed in the changing rooms.

Pupils who identify as transgender will be allowed to get changed in the facilities that correspond with their preferred gender identity. Alternative provision, such as disabled toilet facilities, are also made available where necessary.

11. Health and safety

Staff and pupils will adhere to the Health and Safety Policy at all times.

Pupils will be taught about physical-activity-related health and safety, as well as sport-specific safety, as part of the PE curriculum. Pupils are encouraged to consider their own safety, as well as the safety of others, at all times.

First aid boxes will always be accessible during PE lessons.

All staff members involved in the teaching of PE will undergo basic health and safety training as part of their induction. The PE coordinator is responsible for reporting any concerns to the school's health and safety officer.

In order to minimise risk during PE lessons, teachers will carry out informal risk assessments of every lesson planned. All completed risk assessments will be given to the PE coordinator for authorisation; the headteacher will also be provided with a copy.

Where pupils will be attending an off-site sporting or PE-related event, the PE coordinator is responsible for completing a risk assessment for the event.

The PE coordinator will check the conditions and appropriateness of PE resources on a termly basis, restocking equipment as required.

Resources and equipment will be checked by staff members before use, with any faults or concerns reported to the PE coordinator as soon as possible. All accidents and near-misses will be recorded in writing.

Staff members are responsible for identifying the cause of the accident and taking any necessary action in order to minimise the risk of an accident reoccurring.

Treatment to injuries will only be administered by staff members who are first aid trained. Where required, further medical attention will be sought from the local doctors or hospital.

In the event that a pupil has an accident causing a minor injury, such as a bruise or scrape, the school will notify the pupil's parents of the incident at the end of the school day. In the event that a pupil has an accident causing potentially serious or major injury, such as a broken bone or concussion, the school will notify the pupil's parents immediately.
